Note: LAVWMA is a Joint Powers Agency that is operated and maintained using DSRSD’s resources including their “enterprise systems,” for details of the Enterprise systems maintained by DSRSD please visit this website: <http://www.drsrd.com/open-gov/library/general-information>. SB 272 (Hertzberg) added a new mandate to the Public Records Act which requires every local government agency to inventory all software systems the agency uses to determine which need to be included in a published Enterprise System Catalog. This document complies with the requirements of SB272.
